## Romance Under the Stars

Changing Gaits is a faith-based non-profit organization that partners horses for equine therapy with a healing bond to educate, mentor and empower behavioral changes and enhance life skills for all age groups with mental, physical, and emotional disabilities.

Changing Gaits has been working with people in need throughout south/central Minnesota helping people with autism, depression, anxiety, at-risk youth and issues of chemical addiction and abuse to find new strength and new skills to empower them in their own lives.

We are presenting a safe and romantic night under the stars. Get out of your house and join us for an evening of dinner, dancing and trail rides.
