OUR MISSION

Changing Gaits is a faith-based 501(c) (3) non-profit organization that partners with horses for equine therapy with a healing bond to educate, mentor, empower behavioral changes, and enhance life skills for all age groups with mental, physical, and emotional disabilities.

Please sponsor me as I walk with the horses to help Changing Gaits with raising funds to Feed and Care for their 35+ Horses. Your generous support helps continue dedicated daily care of feeding, grooming, housing, and veterinary costs to keep all horses safe, healthy, and happy.
