

CHANGING GAITS MAY 2022 CAPITAL CAMPAIGN

OUR SERVICES

Changing Gaits is a faith-based 501(c)(3) non-profit organization that partners with horses for equine therapy with a healing bond to educate, mentor, empower behavioral changes, and enhance life skills for all age groups with mental, physical, and emotional disabilities.

In all that we do, we are committed to excellence!

Dear friends,

Happy Spring! Who would have thought we would be two-years out from dealing with a pandemic, right? At Changing Gaits, we know these are challenging times for our children, youth, adults, families, and businesses. Our client intake has increased significantly, which tells us, our services are needed more than ever in our 18-years of operations. If you or a loved one have experienced loss of a loved one, depression, or declining physical or mental health balanced by few positives, please know ... ***we are here to help.*** We're also excited to tell you we are still planning to build a new arena. Once we find the right funder(s) or donor(s), Changing Gaits will be able to provide services year-round. WOW, what a difference that will make in our communities! Please keep our important initiative in your thoughts and prayers.

Throughout the month of May, we're launching our 3rd Annual May Capital Campaign. As a new season of work is in front of us, we think of our most valued asset at the ranch, our 32 horses. We incur \$80,000 annually for vet care, feed and hay, Ferrier work and insurance. **By making a tax-deductible donation within the month of May, YOU CAN directly contribute to helping those struggling with various forms of hurt and recovery** while keeping our horses healthy for the work they perform at Changing Gaits.

We hope you will review our list of services and consider how they can help you and your family, a friend, or a neighbor. *Our client satisfaction rate is 100% and our motto is: No one goes unserved.* We hope you will contact us and allow our staff and horses to bring you or a loved one a newfound fulfillment in life and a promise for a better tomorrow!

With gratitude, and I hope to see you at the ranch in 2022!

Guy Kaufman, Founder and Ex. Dir., Changing Gaits

We serve people of all ages. Through our equine sessions and rides, we can help people with:

Drug and Alcohol Recovery

Suicide Prevention
